Achievements and performance:

We commissioned a Consultation in December 2023 to obtain the views of Beneficiaries, Volunteers, Local Businesses and the General Public to aid our growth and ensure we are focused on the needs of the community. 10% of the local population responded which has given us a good cross section of views. Throughout 2024 we have provided weekly food parcels to those in food poverty. We have noticed an increase on those needing help. We have provided school lunch parcels in the school holidays for 70 children each holiday week.

We have commissioned a bespoke database which has just come into use to enable us to better record movement of food, and to ensure that those we help are regularly reminded of how other forms of help may be found. We regularly cook food from surplus food which is given out in the food parcels. Our community fridge which reduces food waste from local supermarkets continues to grow and is now operational on 5 days each week.

Financial Review

This financial year has been challenging and we have been unable to meet our reserves policy throughout the year. The public donations have increased through the year with more regular donations being received via standing orders or through the website. We continue to apply for grant funding which is necessary for our continued operation and are finding this more difficult than the previous financial year

We moved our current account to the Co-operative bank as they offer free banking to charities. We also have a savings account with them which is instant access paying 1.53% interest. The Lloyds account will be closed before 14th January as they intend to start charging

We thank those organisations that have provided grant funding throughout the year: Community Foundation Wales, Friends of the Llangollen Health Centre, Marsh Foundation, Groundworks (Tesco), DCC Key Fund, DCC Cost of Living Fund, Hubbub

Reserves: going forward into 2025 our reserves policy continues to be 6 months reserves (£24,000)

Investments

We have a low risk investment policy using only a bank savings account for our cash

Risks

The trustees have a duty to identify any risks to which we are exposed. We have reviewed our Health and Safety Policy and all other policies and have adequate employer and public liability cover.
